

Levee Protection Planning and Improvements Project

Community Informational Meetings

You are invited to a community meeting regarding the major levee improvement project. Learn about the project, including its benefits and impacts and how the levee protects your property and safety.

Thursday, May 12 at 7:00 p.m.*
City Council Chambers
620 Foster City Boulevard

*If you are unable to attend this meeting it will be available for live stream on FCTV at:
www.fostercity.org/FCTVLiveStream

Register for the meeting here: <http://leveeinfomeeting2.eventbrite.com>
For more information: www.fostercity.org/leveeproject
Contact: Senior Civil Engineer, Allan Shu (650)286-3271
